For our party packages we offer 1 x small table for 4-6 adults with the party booking of 10-14 children (or 18 if a 'create your own' party). Additional adults are welcome to stand or to find other available seating close by if not being used or reserved. Exclusive hire/Full Venue hire is advised if more adult seating is required.

Little Teapot Lolly bags

Lolly bags can be ordered when you finalise your booking using the online form. These are \$3.00 each.

Decorations

We use white table cloths on the children's party tables so that you can decorate with accessories according to your own theme. You are welcome to arrive 30mins prior to your party booking to decorate your table area.

FAQS:

Can I have more than 14 children?

You absolutely can have more than 14 children, however we are unable to serve the party packages (Teapotters/Happily Ever After) for more than 14 children unless the full venue is hired. You can have up to 18 children during business hours in the back area with your own 'create your own' party where you order large party platters to share (you can also 'add on' face art if you like). These maximum numbers are in place to provide you and the party children with enough table space to enjoy their party, it will also ensure the party remains safe for all attending and ensure our kitchen and Teapot team can serve you well.

For more adults see the info in the 'Additional Info' section.

Can we bring our own cake or food/drinks?

You can bring your own birthday cake however you cannot bring in other food or drinks on the day. Please see our range of platters we offer for children & adults in our catering menu.

What if it rains?

All our party packages ensure that there will be tables for the children and one small table for the adults undercover in our amazing outdoor eating areas, protected from the wind and the rain with heating in winter and fans in summer.
